information, brochures support and road shows etc. In the recent-past this promotion is being done under the Brand Line "Incredible India".

The foreign tourist arrivals in the year 2003 upto November have registered a growth of 14.6 percent over the corresponding year 2002. Foreign exchange earnings during the same period have increased by 22.4%

Completion of Water Projects

†*216. SHRI RAM JETHMALANI:
SHRI KAPIL SIBAL:

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government have decided to expedite completion of some of the projects, selected from the ongoing water projects, in 1996 itself under a new scheme;

(b) if so, the details of the projects selected so far; and

(c) the number of projects out of the same completed by March, 2003 and the total additional irrigation-potential brought about thereby?

THE MINISTER OF WATER RESOURCES (SHRI ARJUN CHARAN SETHI): (a) to (c) Irrigation being a State subject, the responsibility of planning, investigation, funding alongwith priority execution, operation and maintenance of irrigation projects, including irrigation and flood control primarily rests with the concerned State Governments themselves.

Concerned with a large number of major and medium irrigation projects spilling over into Ninth Five Year Plan, the Central Government launched the Accelerated Irrigation Benefits Programme (AIBP) during 1996-97 for accelerating implementation of such ongoing irrigation/multipurpose projects on which substantial progress has been made and which are beyond the resources capability of the State Governments and for other major and medium irrigation projects which are in an advanced stage of completion and could yield irrigation benefits in next four agricultural seasons. 171 major/medium irrigation projects were included under this programme and an irrigation potential of 2195.086 thousand hectare was created upto March, 2003. A total of 24 projects could be completed after commencement of the programme and potential

†Original notice of the question was received in Hindi.

of 485.453 thousand hectare was created on completion of these projects. As on 30th November, 2003,172 Major/Medium and 3296 minor irrigation schemes have been provided with Central Loan Assistance (CLA) amounting to Rs. 12243.6854 crore.The details of the projects included in the programme are given in Statement-I *(See* below) and the projects completed out of the alongwith additional irrigation potential created are given in Statement-ll.

Statement—I

Central Loan Assistance (CLA) released under AIBP during 1996-1997 *to* 2003-2004

@CLA released dring 1996-97 transferred to Ranbir Canal in 1998-99

'Before November, 2000 CLA for projects in Chhattisgarh and Jharkhand released to Madhya Pradesh
and Bihar respectively

-Inter State Project

+The CLA of Rs. 2601.981 crore released during 2001-02 includes Rs. 472.86 crore provided to 13
Major/Medium Irrigation projects under Fast Track programme

++The CLA of Rs. 3061.7026 crore released during 2002-03 includes Rs. 386.855 crore provided to
20 Major/Medium Irrigation projects under Fast Track programme
